Drycasting at WA State Championships is run under the AAA (WA Division) Inc. [Rules for Dry Casting Competition](#)

The following are the Western Australian State Drycasting records, and the Australian National Drycasting records for comparison.

This WA list is as at 18 November 2014, as updated at the Delegates' meeting for November.

The Australian National Records are up to 30 June 2010 as advised by the AAA National Records Authority. These commenced from State Records under new rules started in 1986. These also include records that were formerly listed as Convention Records that in themselves exceeded National Drycasting Records.

Applications for a record can be made on the [Dry Casting Record Application Form](#)
